	Jeremy Ng	A Tale of Two Regulatory Philosophies - Rationalizing Behavioral Advertising in the EU under the Digital Services Act and the Digital Markets Act

11:00   Keynote panel: "Technology beyond the law: tech challenges to fundamental rights"

Eduard Fosch Villaronga,
Timo Jakobi,
Marcello Ienca,
Mireille Hildebrandt,
Joris van Hoboken
Moderated by Francien Dechesne
(Teldersauditorium)

12:30   Lunch **RK**
14:00   Keynote panel: "Data Protection at the challenge of the AI (Act)"

Gloria Gonzalez Fuster,
Hielke Hijmans,
Eleni Kosta,
Frederik Zuiderveen Borgesius,
Ignacio Cofone
Moderated by Gianclaudio Malgieri
(Teldersauditorium)

15:30   Break **RK**
16:00   DPSN meeting and Paper Session 4
        (Teldersauditorium / Law Room / GS 0.11 + 1.11)

Data Protection Scholars Network	Moderator: Taner Kuru	Telders Auditorium
	Interactive session with flash presentations with participants	
4.A (AI, and Machines)	Moderator: Eduard Fosch Villaronga	Law Board Room
	Federico Carmelo La Vattiata	Causation in War Crimes Committed via AI-based Loitering Weapons
	Samar Abbas Nawaz	Towards regulating human oversight: Challenges for the EU drone law
	Lucas Ramon Ciutat	Artificial Intelligence in agriculture: legal and ethical perspectives in EU law
